## "Together We Are Better"

### Family Teacher Association Membership & Donation Form

The FTA's mission is to enhance our children's educational experience by connecting all members of the school community.

The 'Boo Hoo, Yahoo!' for parents of first time students, Barnes & Noble Night, a New Parent Orientation Night, the Fall Festival, the Golf Tournament, Parent Education Seminars, and Teacher Appreciation Week are just a sample of the activities the FTA is organizing and will host for this school year.

All of these events are planned with the purpose of connecting our families to each other and our staff members. Your membership donation to the FTA helps us have the resources to provide our children with a stronger school community.

### How can you help?

There are several ways you can help be part of our Connected Community. Find the avenue that works best for you – If you do not see something that fits, contact us and let us know how you can best help support our school.

### **VOLUNTEER!**

We know your family and other responsibilities are important, so any time or other skillsets you can offer are valuable! We will work with your schedule - one event, one hour a month, or however much time you have available. We can always use any help you can offer!

### **DONATE!**

All of our events require funding on some level. Your tax-deductible contribution helps the FTA support activities throughout the school year.

**Return this form with your tax-deductible membership contribution to the office or to your child's teacher. Please make your tax-deductible check payable to SHMA FTA.**
