The FTA at SHMA...Building a Connected Community

The FTA's mission is to enhance our children's educational experience by connecting all members of the school community. Events that the FTA hosts, such as New Parent Orientation, the Back-to-School Pool Party, the Fall Festival, the Golf Tournament, Parent Education Seminars and Teacher Appreciation Week are just a sample of the activities the FTA has organized for this school year. All of these events are planned with the purpose of connecting our families to each other and to our staff members. Your membership donation to the FTA helps us have the resources to provide our children with a stronger school community.

With 100% membership, we can accomplish so much! Won't you join us in giving your child the best environment possible?

How can you help?

There are several ways you can help be part of our Connected Community. Find the avenue that works best for you – If you do not see something that fits, contact us and let us know how you can best help support our school.

VOLUNTEER!

Your time and special skill set is a valuable resource! We know your family and other responsibilities are important as well. Volunteering for the FTA can work with your schedule -- a few hours for one event, one hour a month, or however much time you have available. It could be at a night event, a daytime event, or making phone calls/emails on your own schedule. If you want to help, we have a need for the time you have available.

DONATE!

All of our events require funding on some level. Your tax-deductible contribution helps the FTA support activities throughout the school year.

Return this form with your tax-deductible membership contribution to the office or to your child's teacher by August 31, 2014. Please make your tax-deductible check payable to SHMA FTA. Thank you!

Please cut and return to school in an envelope marked FTA or to your child's teacher by August 31, 2014 and THANK YOU for supporting our school!
