Soccer was a success for everyone involved, and we are looking forward to an exciting football season. We will be playing co-educational football, in two groups on Mondays and Wednesdays after school. Each group will practice and play a game at their designated time. We will place students on teams by size, age and ability, based on students registered by the starting date. After this date we cannot guarantee placement. Please register as soon as possible to assist us with planning. Our intramural football registration fee is \$30.00. We will issue team jerseys for the students to wear on game day. Our intent is to develop skills, teamwork, and to have fun!
